Penile,

Me, you, and Joe have had a lot of good times. It really sucks that we're going into the NAVY and Joe is going to be left alone back in this shithole we call home. For the next 8 days all we are going to do is party until you leave. It's going to be another 8 days. All we are going to do is drink and listen to HARRY. The 30 hrs we have really had a good time and I'm really sorry it has to end so soon. Keep in touch when you leave and we'll get together.

Just kiddin

Kevin

Together We Stand

In Appreciation

Donald J. Morissette, Sr.

Through our four years here at Chicopee High School, we have come to know Mr. Donald Morissette not only as our principal, but also as a friend of great inspiration.

Inspiration, this is what made our class great.

Greatness. Traditionally this can only be achieved through hard work and dedication.

We think it only fair that we share our greatness with Mr. Morissette because we feel there has never been any one person more dedicated to a class than he.

We have been his pride, we have been his purpose, and it is for this reason we write now in thanks and appreciation for what he has done for us. He has inspired us to unite, as a force of adults, out to cause change in the future. We have come to see this as our destiny. For this we thank him.

He has believed in our class from the beginning, and he has made it his priority to make it known. The school spirit within this man is immense, and most definitely it has rubbed off on the Class of 1987. We have made it, one in spirit and one in mind. His efforts have made this class complete, well-balanced, well-natured, and culturally sound. For this we also thank him.

Let it be assured, Mr.Morissette, that your plan has been a success. You have shaped us into a group of mature people readily accepted into society. Have no further fear for us. Through your guidance, we are now experienced enough to handle our own fears of what the future may hold for us.

Have no further fear for us, for TOGETHER WE STAND. .... Look at us now ...

The Class of 1987
CHS

The Editors

The Editors: (from left to right), Sue Jezouit, Sue Dulchinos, Peter Gazda.

To the class of 1987,

During our four years here at Chicopee High School, we have come to know many, if not all the members of the Senior Class. We owe many thanks to a great number of you, but because of your great number, it is impossible to thank you all individually. It is our hope, that through this letter, we will be able to reach as many of you as possible with our thanks.

We would first like to thank everyone who contributed their time and patience in the giving of ads, and the raising of money for the publication of the yearbook. As can be imagined, it would be impossible to finance a yearbook without your help explicitly.

Secondly, we would like to direct our gratuities toward the sectional editors of the yearbook, for their time and determination. Without them, the mere three of us could never fulfill such an overbearing task of completing the yearbook alone.

Also, without the help of Grenier's Studios in the taking of our pictures, without their time and steady hands, the yearbook would be far from a success, so we thank them as well.

We would also like to give special thanks to Christine Joyal, Jennifer LaFleur, and Bruce Latourelle, our class photographers, for putting their class time into the pictures for the yearbook.

Lastly, but by far in the least, we would like to show an appreciation to Mr. Downie for his guidance in the creation of Opus '87.

To cover all dimensions, we would also like to thank anyone else, who has helped in any way with the yearbook, who, in the confusion of the completion of the yearbook we may have unintentionally forgotten.

Once again, we thank you all!

Sincerely,
The Editors of Opus '87

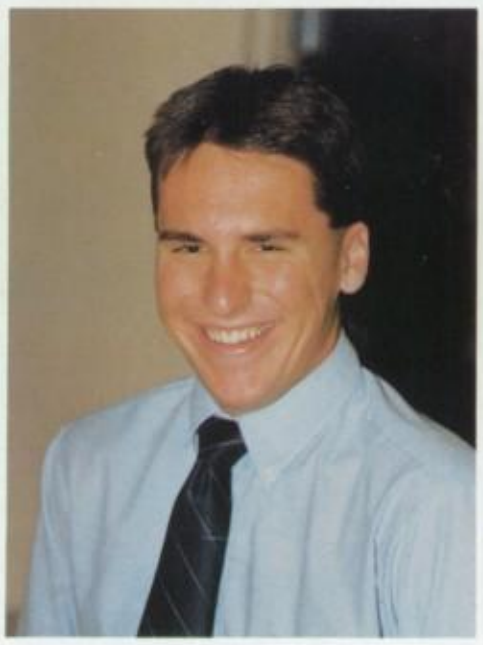
Together We Stand

Officers And Advisors

Charles Tetrault

I am very honored to have had the opportunity to be one of your class advisors. Over the past three years I have come to realize that you are a remarkable group of individuals. Now, as the graduating class of 1987 at Chicopee High School, you will spread out across America and the world in quest of adventure and fulfillment of your dreams. Yet, you all have a thread linking you together- that is-the Class of 1987of Chicopee High School. Good Luck.
Charles Tetrault, Co-Class Advisor

I'd like to thank the class of 1987 for giving me the opportunity to represent you as class secretary for the past two years. This experience has allowed me to make many new friends and encounter many exciting challenges. I wish you all the best of luck and future success.
Melissa Samson



Michael Garvey

We have now reached that point in our lives where we go our separate ways and try to find out what life has to offer. It will be an exciting and often confusing road. But remember that we must always face life's problems head on and with determination. Only then will we succeed. I leave you all with this
"May the road rise to meet you,
May the wind be always at your back,
May the sun shine warm upon your face,
And until we meet again,
May God hold you in the palm of his hand."
Mike Garvey

Christine Swiader

Having the opportunity to serve you as Vice President for the past three years has been an experience and challenge I will always remember. I will never forget all the great times we've shared and the many wonderful friendships we've made. May they last a lifetime. I wish each of you all the luck in the world for a happy, healthy, and successful future.
Chris Swiader

Virginia Stahlsmith

It has been fun getting to know you on a personal basis. It is hard to believe that three years are almost over and that you will be stepping into the future. You as a class have been a tremendous asset to Chicopee High School. I hope you all continue to contribute to your future endeavors as you have here. Good luck to each one of you. I'll be anxious to hear from you in the future.
Virginia Stahlsmith, Co-Class Advisor

For the past four years, I have made friends and have gained memories that I will never forget. Having had the opportunity to be your treasurer for three years, it has been an honor and I thank you for your cooperation. It has been a challenge and it's been a lot of fun. I wish you all the best of luck and may God be with you.

Dear Class - A Farewell Embrace:

Ah yes, the hallowed halls of Chicopee High School are now empty. Fond memories still will live, and also those not so fond. We've come through a lot and now these 4 years seem such a brief period in our lives. Through it all, many came together and a few stayed apart. A funny little class, I must say. So together and yet so far apart.

But now it's time to move on and face the world. The class has a few capable souls and they'll fight on. So go ahead, face a real life. Knock yourself out!

P.S. Don't tell 'em I told you.

Cloth of Time

Time has knit our paths as one
In a cloth of richest weave,
Its fibers carry each of us
And keep us when we leave.

This cloth has bound us as a clan
And holds our yesterdays,
And keeps them close, as one, as us
As we move on in separate ways.

Within this cloth lie memories
Of different shade and hue;
Vibrant red for times of joy,
For sad times, darkest blue.

The fibers of this cloth alone
Are separate from the whole,
But when they fray with time and break,
They stay as one in soul.

The spirit here will always stay
For the cloth was of close weave,
Bound with laughter and with tears,
Forever one we must believe.

So as the cloth divides with years
And time moves with the sand,
As days to months to years do pass
Remember "Together We Did Stand."

Together We Stand

Administration

To each member of the class of 1987, my congratulations on the achievement of an important and significant goal—graduation from high school. I am confident that the Chicopee schools have prepared you well for the post high school years. You now possess the necessary certification, as determined by our society, to make the important choices which will affect your entire lives: you may continue your education, seek employment or enter some form of public service.

As you approach this new, exciting and challenging phase of your lives please bear in mind that the choices you will now make are as much the real test as any other challenges you will face later on. You can choose to accept passively the experiences which life will provide for you, or you can use these experiences to achieve your own goals. You can choose to build a life on outmoded and outdated conceptions of the world or you can choose to realize and act on the fact that for virtually the first time in human history our lives will not be governed by the same assumptions which governed the lives of our forefathers. You can choose to let opportunities go by, regretting your actions after it is too late or you can choose to exercise the leadership, the courage and the moral stamina to grasp opportunities offered.

Whatever you choose, do so wisely and always with a clear perspective of the future, an understanding of yourself and a sense of obligation to those who have placed their faith in you.

My very best wishes for continued success and happiness!

A Yearbook is more than printed pages, clever sayings and photographs. It is, in a very real sense , a record of memories-your memories-the memories you hold both individually and in common as students at Chicopee High. It is my sincere hope that those memories are pleasant ones, ones which you will cherish throughout your life. It is my hope that your days here at Chicopee High have been enjoyable as well as filled with learning and growth. An excellent education was offered to you. If you took advantage of it it will serve you well throughout your lives and the memories within these pages will serve you in those quiet moments when you turn your thoughts back to your days spent at C.H.S.

I wish you health, happiness and success throughout your lives.

The 1986 Pacers suffered through a difficult year. This team, however, had the distinction of being the only Fall Sports team at Chicopee High to beat crosstown rival Comp. This, along with a very close game with eventual Western Mass. Champ Ludlow showed the Pacers' tenacity and pride. With many players returning, the Pacers hope to make things different next year.

The 1986 Cross Country team had the distinction of being different from any of past years. Due to a new MIAA ruling, the Pacers were classified as a co-ed team. Although the team carried male and female members in past years, the new classification allowed them to compete against other co-ed teams in the post-season races. The senior-laden Pacers experienced a difficult season, racing mainly male-dominated teams. What the Pacers lacked in talent, they made up for in heart. Despite the losses, the running Pacers had fun. The highlight of the year was probably the cookout after the last race of the season at the Pacer's home course at the Chicopee State Park.

The 1986 Pacers were hurt by the loss of many seniors from last year's squad. The young team experienced a disappointing season recordwise, but there were some bright spots: a 4-3 come-from-behind victory over East Longmeadow, a heartbreaking last second loss to eventual Western Mass. Champ Agawam, and a stunning late season tie with Churchill Division Champion West Springfield showed the Pacers' potential and pride. The team holds great promise for the future.

The 1986 Football team looked ready to turn around the losing trend of past years with wins in two of their first three games. However, the team struggled the rest of the season, not winning another game. The sword was within their grasp in the Comp game, but some tough breaks kept it from them. The seniors showed much pride throughout the disappointing season and the many talented underclassmen may help return the winning tradition to Chicopee.

The 1986-87 Pacers exploded to an 8-0 record, their best in years. Their record evened out a bit once they began play in the Suburban League, probably the toughest league in the area in the 1986-87 season. The boys received the sixth seed in the Division I tournament with their 14-6 record. Highlights of the season included an early trouncing of cross-town rival Comp as well as a late season overtime victory over league rival Northampton. Congratulations to the squad's seniors who were a great part of the team's success.

This string included a satisfying victory over previously undefeated Comp at Comp. Finishing second in the Valley League, the Pacers managed a third seed in the Division I tournament. Special congratulations go to the squad's six seniors who leave fine careers and a great winning tradition behind them for next years team to continue.

The swimming teams at CHS have been weak in past years due to lack of interest and veteran swimmers. However, the Girls 1986-87 team appeared to have turned that trend around. This was due largely to the efforts of a talented group of freshmen. These young swimmers, though freshmen, were veterans of the pool, having been involved in competitive swimming for years.

The Boys swim team was almost eliminated this year. However, three boys joined the girls to try to improve their personal times and preserve Boys swimming at CHS.

We hope the girls continue their winning ways next season and the boys continue to compete.

The 1986-87 Hockey team had a rather disappointing season. Lacking experience, the team suffered numerous losses along the way. Individually, the year was a momentous one for Senior Mike Mitchell who scored his 100th career point during one of the Pacers' few victories. We wish next year's team more luck in their efforts.

The 1986-87 team finished 6th in league play, acquiring four points.

An ever-dwindling sport at CHS, the 1986-87 ski team seemed to reach the limit. Having only four members, all underclassmen, the team was basically incapable of being competitive. However, these four Sophomores put in a great deal of work this season, and insure the continuance of this sport at CHS for a few more years. We wish them luck in the future.

Throughout the year the cheerleaders have cheered for the soccer, football, and basketball teams, as well as competing in their own tournaments. Good job girls and best of luck to the upcoming squad!

During the season the cheerleaders competed in the New England Cheerleading Championship against teams from all over New England and qualified for the Nationals which took place in Florida. They also received first place at the Sixth Annual Cheerleading Tournament at Smith Academy, where they competed against David Prouty, Chicopee Comp, Franklin High School, West Springfield, Easthampton, Canton High School, Westfield, and Cathedral High School.

He possesses these qualities, seemingly rare:
The desire to win is deep-set in there,
There with his drive to be number one,
There with his pride in what he has done,
There with his confidence in self and the team,
There with his hopes that allow him to dream
Of titles won and high goals achieved,
Into the athlete, all these are weaved,
Along with a sureness of body and mind,
A more complete person you seldom will find
Than one who has put all their skills on the line
And found hors of practice allowed him to shine
On the court, on the ice, in the pond, on the fields,
The strength of devotion each athlete wields,
The competitive fire will never depart
From the strong-willed spirit of the athlete's heart.

Fourth row: Claudio Tereso, Advisor Philip Wiggenhauser, Steve Jendrysik, Thomas Presnal, Neal Murphy, Kevin Churchill. Missing: Sarah Goff, Matthew Dragon, Susan Jezouit, Melissa Samson, Michael MacGregor, Karen Donnelly.

The Pro Merito Society consists of those seniors who have maintained a grade point average of ninety or better during their four years at C.H.S.

Mr. Philip Wiggenhauser is the advisor of this prestigious group, which exists only in Chicopee. The students of Pro Merito are chosen solely on academic excellence.

Student Council

First row: Sherry Dennison, Terri Champigny, Jennifer Lonczak, Kevin Courchesne. Second row: Carrie Healey, Erica Banas, Paul Courchesne, Frank Bullens, Jeanne Champigny. Third row: Paul Boudreau, Peter Gazda, Jonathan Matte, Jeffrey Sadjak, Thomas Presnal, Rebecca Laplume, Deborah Drake, Elizabeth Sears, Colleen Murphy. Missing: Erica Brown, Michelle Roback.

Top to bottom: President Frank Bullens, Treasurer Jeanne Champigny, Secretary Erica Banas, Vice-President Paul Courchesne.

The C.H.S. Student Council consist of five members from each class, and two school representatives. The focus of their objectives is to present the views of the students and protect their rights.

Their responsibilities also include the running of school surveys, bloodmobiles, and the regulation of rallies. This year, the Student Council also saw over the planning of School Pride Week and the March of Dimes Basketball Shootout. This group of busy individuals is headed by Mrs. Norma Lapinski.

Journalism

The Highlights Staff consists of a group of dedicated Juniors and Seniors who devote much of their time to designing the "Chicopee Highlights", the C.H.S. newspaper. Mr. Philip Wiggenhauser guides this group of students and directs them on the finer points of the publication of media material.

The students, as a group, gain experience in the field of journalism and many use this experience to continue on in the media field. Not only do they "learn the ropes", but interact with society as well, by acquiring support from local businesses in the form of advertisements.

Front row: Thomas Costello. Second row: Dorothy Nowak, Sharon Marsh, Maureen Muldoon, Jeanne Champigny, Susan Dulchinos, Daniella Gioiosi, Cynthia Klatte. Third row: Francis Bullens, Margaret Anischik, Jeanne Deault, Susan Cybulski, Melissa Ponte, Lonnie Doel, Roger Lehouillier, Thomas Presnal, Thomas Landers, Advisor: Philip Wiggenhauser. Fourth row: Kevin Churchill, Pedro Costa, Bruce Latourelle, Jay Wojtowitz, Ted Fiahive, Gregory Lajeunesse, Steven Mailloux, Paulo Ferreira, Kevin Tomlinson.

Academic Decathlon

The Academic Decathlon Team at Chicopee High School is one of the school's most recent additions to its curriculum. Selection for the team is based on acedemic standings. Team Advisor, Mrs. Susan Boldgett, chooses two students from the "A", "B", and "C" average categories, as well as the alternates for these positions on the team, to represent C.H.S. in the state competition.

This year, the team traveled to Pittsfield and placed respectably in the Top Ten of the field. Senior Alexandra Johnson won a gold medal in the Economics category, a silver in Essay, and a bronze in Fine Arts. Senior Jonathan Matte took home a silver medal in Mathematics, and Senior Deborah White won a silver medal as an all-around alternate.

Front row: Peter Gazda, Jonathan Matte, Frank Bullens, Paul Courchesne. Second row: Rosann Kozlowski, Melissa Samson, Advisor: Mrs. Susan Blodgett, Deborah White, Michelle Laird, Alexandra Johnson. Missing: Jacqueline Babiec.

Debate Team

Front row: Mary Wallace, Sean Allard, Darren Bennett, Christine Duquette, Heather Phillips. Second row: Lynn Robillard, Peter Gazda, Jonathan Matte, Alexandra Johnson, George Fitzgerald, Laura Gallus. Third row: Melanie Charland, James MacGregor, Michael Sroka, Advisor: Mrs. Susan Blodgett, Christine Swiader, Neal Geanacoupoulos, Sharon Croteau, Amy Bizon, Jason Charland, Karen Donnelly, Raymond Mason. Missing: Steven Hartnett, Marybeth Boczon.

Once again, Chicopee High School is well represented in the Western Mass. Debate League. Eleven members returned from last year's team, and all are well-prepared for action once more.

The team is comprised of individuals representing all four grade levels at C.H.S. all of whom are fluent speakers and quick thinkers. Eight members debate on a weekly basis, and are part of a national resolve. This year, the current strategic Defense Initiative program was debated relentlessly by these fine students.

Mrs. Susan Blodgett advises the team again this year, and under her guidance, the Debate Team is becoming one of the most feared teams at C.H.S.

T.V. Quiz Team

Front row: Steven Jendrysik, Jonathan Matte. Second row: Sarah Goff, Jeanine Stec, Advisor Raymond Stec, Jason Charland, Alexandra Johnson.

The C.H.S. Quiz Team, one of the charter members of the TV Quiz Show, "As Schools Match Wits", is now in its 26th year of existence. Members of this team compete on the show against other schools representing Western Mass. and Connecticut.

Team members are asked questions of various degrees of difficulty from numerous categories, in a match that takes 25 minutes. The team with the highest score at the end of the program can call itself "the winner".

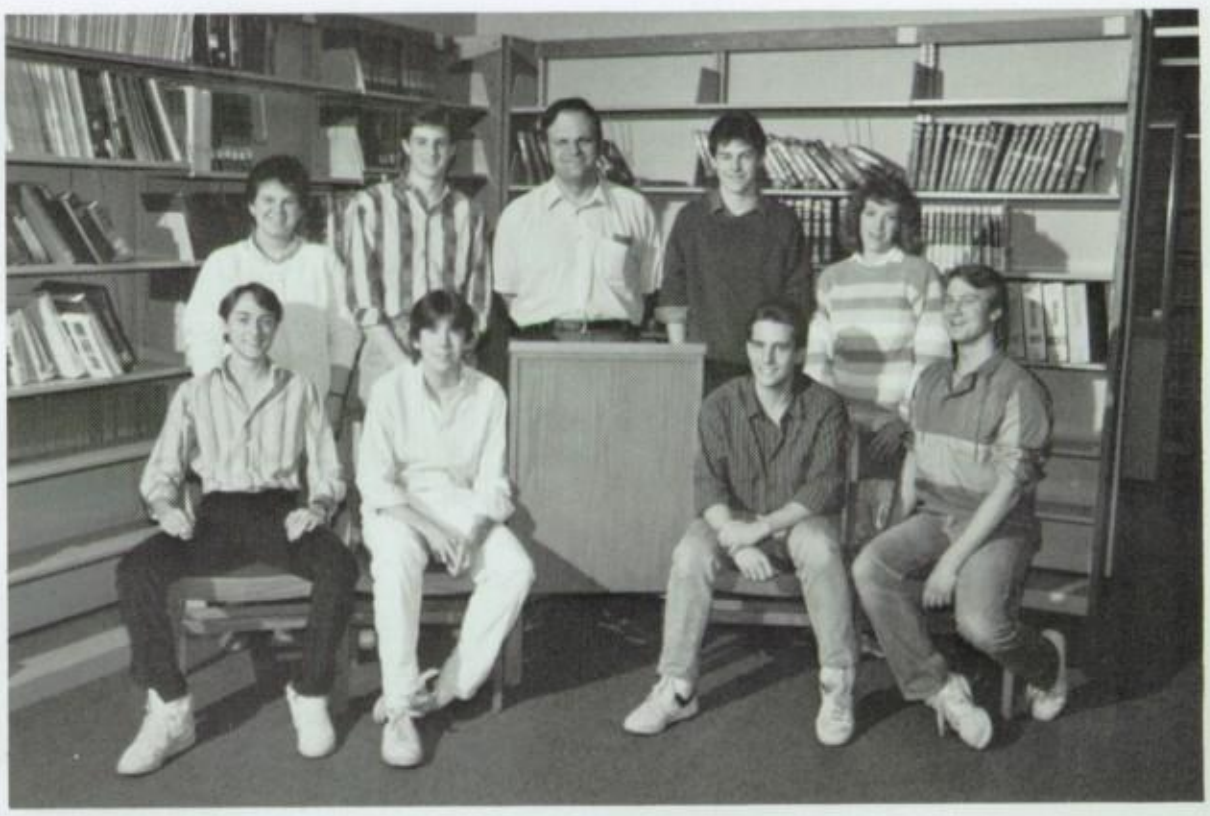
This year, coach Raymond Stec led his troop of returning starters against two-time defending champion Amherst Regional. The team performed extremely well, tying the first match (225 to 225) before bowing by 25 points the next week (235 to 210).

Math Team

Captains Jonathan Matte and Kevin Duprey

The C.H.S. math team is comprised of a group of students, under the guidance of Raymond Stec, who participate in mathematics meets, both in and out of school, during the school year. The Western Mass. competitions take place in randomly chosen high schools throughout the league. These competitions place the students in three of six categories ranging from Arithmetic to Trigonometry, and challenges the team to perform well under pressure. Ten minutes are allowed for each section.

C.H.S. is currently atop the standings in the New England Math Leauge, where members of the team are given six problems to solve in thirty minutes; with one point for each correct answer. These meets take place in C.H.S. itself.



Front row: Matthew Dailey, Kevin Duprey, Jonathan Matte, Peter Gazda. Second row: Amy Bizon, Paul Boudreau, Advisor Raymond Stec, Jason Charland, Sarah Goff.

Student Advisory Council

Student involvement in school politics is very important, and thus Chicopee High School has reinstated this council, which sends two delegates to meet bi-monthly with the School Committee, and monthly with delegates from other western Mass. Schools.

This two-member council, together with that of Chicopee Comprehensive, discusses problems or issues concerning the schools that relate directly to the students. They are the connection between the students and the School Committee.

Both members this year are also on a committee that will help to clarify issues contained in school handbooks, such as dress codes or student rights through the Regional Student Advisory Council of Western Mass.

Jonathan Matte and Christine Swiader

Literary Club

Front row: Advisor: Mr. Steven Olivo, Laura Gallus, Jeanine Stec. Second row: Keith Czerwiec, Neal Geanacopoulos, Paul Boudreau. Missing: Todd Adams, Mary James, Mary Wallace.

The newest club at Chicopee High School is returning after an absence of many years. Under the direction of Mr. Steven Olivo, the Literary Club is once again part of the C.H.S. scene.

Members of this club formulate a magazine composed of essays, poems, and creative writing submitted by other students. The Literary Club organizes the works and distributes the finished material afterwards. Hopefully, the Literary Club will gain further support in the years to come.

D.E.C.A.

Front row: Carolyn Gay, Kimberley Jones, Christine Gallus, Susan Sparks, Advisor Diane Sherman, Lynn Lafond, Adelia DosSantos, Annmarie Reilly. Second row: Anthony Spano, Perry Conchinha. Missing: George Andretsopoulos, David Guilbert, Joanne Tremblay.

D.E.C.A., or the Distributive Education class, is comprised of a group of hardworking students who are preparing for their future by exposing themselves to the world of business. Under the guidance of Mrs. Diane Sherman, the students learn the basics in economics, merchandising, and salesmanship, as well as dedicating themselves to their job.

D.E.C.A. is known more as a store, however, where students can purchase school supplies, snacks, clothing, and other miscellaneous items while being waited on by members of the distributive education class.

Audio-Visual

This slowly diminishing group of individuals has an important task at C.H.S. They are the technicians of the school. Members of the Audio-Visual department are responsible for lighting and sound during rallies and assemblies, as well as for the distribution of televisions, video recorders, and film projectors to any teacher throughout the building that might need them. AV workers are always on the move, and in big demand throughout the entire school day.

Michael Sroka and Bruce Latourelle

Telecommunications

Students in their first year of telecommunications are placed in the Photography section. Here they learn the basics of camera operation, photograph developing, and gain valuable experience in the media field. Members of this group are instructed by Mr. Kenneth Kostek.

Front row: Donald Gaudette, Katherine Fydenkevez, Jennifer Stefanik, Bruce Latourelle. Second row: Eric Stone, Lisa Young, David Dutton, Donald Croisetiere, Donald Cloutier. Missing: William Anderson, Marybeth Boczon, Tracy Cassidy, Eric Craven, Jennifer Forgette, Michelle Gascoigne, Melissa Gazda, Richard Hartnett, Christine Kokoszyn, Kimberly Roberts, James Robinson.

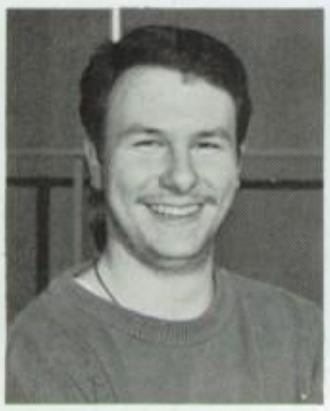
Front row: Heather Phillips, Christine Joyal, Jennifer Lafleur, Mary Kate O'Connor. Second row: Steven Reynolds, Marc Bienvenue, Vicki Chatham, Heather Niemiro. Missing: Kevin Collins, Gino Forgione, Felix Gonzalez, Russell Page, Wendy Paul, James Roy.

Second-year telecommunications students form the Television Operations portion of the program. Members of this group gain firsthand experience in the art of television media, through the filming of School Committee meetings. Board of Alderman meetings, and school functions. Television Operations is taught by Mr. Jon Gordon, who helps the students to appreciate the fine equipment that the school department has allowed them to use, and to operate it properly and carefully.

Band And Colorguard

Front row: Gretchen Kibler, Dawn Cierpial. Second row: Michael Sroka, Noel Pasternak, Nancy Bazan, Tammy Davis, Toni Pine. Third row: Michael Megaro, James MacGregor, John Sittard, Kenneth Lonard, Keith Czerwiec, Michael Pence. Missing: Edmond Dupont, Heather Watton.

Front row: Treasurer James MacGregor, President John Sittard, Vice-President Michael Pence. Second row: Color Guard Treasurer Tina Lacasse, Liaison Color Guard Donna Skwira.



The Chicopee High School Band had another busy and productive year under the direction of Mr. Allan Sittard. Band members marched in various parades throughout the community, including the Balloon Parade in Springfield and the Christmas Parade in Quincy, and the many school rallies, sporting events, and activities throughout the year. This year, the Band also took part in the dedication of the Veteran's Park of Chicopee and various district and state concerts.

Junior Nancy Bazan took honors in the state competition, and Senior John Sittard was elected to the all-state, all-New England, and all-Eastern Bands.

A youthful but experienced individuals made up the C.H.S. Color Guard Squad also, which performed with the Band during parades, rallies, and sporting events this past year.

Because all members will be returning next year, only the best can be expected from the C.H.S. Color Guard in the future.

Front row: Tina Lacasse, Donna Skwira, Dorothy Filipiak. Second row: Nicole Bienvenue. Third row: Kim Kolek, Melanie Charland, Cathy Gunning.

Chorus And Madrigals

Front row: President Michael Caron, Secretary Jametrius Liddell, Treasurer Tina Lacasse. Second row: Vice President Steven Zajchowski, Librarian Tina Monfette, Librarian Paul Collina.

Front row: Charlotte Shield, Donna Lemelin, Jennifer Leclair, Trina Bihler, Cynthia Collete. Second row: Jametrius Liddell, Kimberlyn Pavlak, Laura Huggins, Tara Lavey, Kenneth Monette. Third row: Michael Caron, John Sittard, Dyan Dutton, Tracy Richard, Kelly Coakley. Missing: Kelly Williams, Laura Abbott, Laura Cambique, Darlene Leduc, Jeannette Mendez, Kimberly Trudeau, Tina Lacasse.

Front row: Pamela Langlois, Dyan Dutton, Laura Huggins, Jametrius Liddell, Tina Monfette. Second row: Donna Skwira, John Sittard, Tina Lacasse, Paul Collina. Third row: Lynne Trevathan, John Boutot, Steven Zajchowki, Michael Caron. Missing: Laura Cambique, Lisa Hubbard, Tracy Richards, Cynthia Collette, Tara Lavey.

The C.H.S. chorus, under the direction of Mr. Allan Sittard, remained a steady symbol of pride both in and out of school. Chorus members performed at the annual Christmas concert, the National Honor Society Induction ceremony, and the District and State Chorus Concerts. Awards for individual performances at these concerts went to Paul Collina and Steven Zajchowski.

Although the madrigals are a part of the chorus, they remain separate from the collective group. They are a smaller performing body whose repertoire is taken mainly from the Middle Ages and the early 20th century. Director Allan Sittard calls the madrigals "the premiere performing group of the school."
